

## **Mgr. et Mgr. Tomáš Hruša**

### **Education**

2000 – MA (Mgr.) Charles University Prague (Economics)

2002 – MA (Mgr.) Charles University Prague (International relations)

### **Management experience**

The relevant experience for the preparation of CEITEC stems mainly from his know-how accumulated during the work for CzechInvest which covered project management on the working level as well as management of an institution with over 300 employees responsible for hundreds of investment projects, preparation and administration of EU Operational Programs (Operational Program Enterprise and Innovation; Operational Program Industry and Enterprise) and running several national programs aimed at enhancing competitiveness and innovativeness of the Czech economy.

In addition, he has been directly responsible for two of the major foreign direct investment projects in the Czech Republic to date, i.e. the joined project of Toyota/PSA Peugeot Citroen (as the project manager) and Hyundai (as the CEO coordinating and negotiating the strategic issues on behalf of the Czech government).
